### §3109.1-2

## §3109.1-2 Application.

No approved form is required for an application to lease lands in a right-ofway. Applications shall be filed in the proper BLM office. Such applications shall be filed by the owner of the rightof-way or by his/her transferee and be accompanied by a nonrefundable filing fee of \$75, and if filed by a transferee, by a duly executed transfer of the right to lease. The application shall detail the facts as to the ownership of the right-of-way, and of the transfer if the application is filed by a transferee; the development of oil or gas in adjacent or nearby lands, the location and depth of the wells, the production and the probability of drainage of the deposits in the right-of-way. A description by metes and bounds of the right-of-way is not required but each legal subdivision through which a portion of the rightof-way desired to be leased extends shall be described.

## § 3109.1-3 Notice.

After the Bureau of Land Management has determined that a lease of a right-of-way or any portion thereof is consistent with the public interest, either upon consideration of an application for lease or on its own motion, the authorized officer shall serve notice on the owner or lessee of the oil and gas rights of the adjoining lands. The adjoining land owner or lessee shall be allowed a reasonable time, as provided in the notice, within which to submit a bid for the amount or percent of compensatory royalty, the owner or lessee shall pay for the extraction of the oil and gas underlying the right-of-way through wells on such adjoining lands. The owner of the right-of-way shall be given the same time period to submit a bid for the lease.

# § 3109.1-4 Award of lease or compensatory royalty agreement.

Award of lease to the owner of the right-of-way, or a contract for the payment of compensatory royalty by the owner or lessee of the adjoining lands shall be made to the bidder whose offer is determined by the authorized officer to be to the best advantage of the

United States, considering the amount of royalty to be received and the better development under the respective means of production and operation.

# § 3109.1-5 Compensatory royalty agreement or lease.

- (a) The lease or compensatory royalty agreement shall be on a form approved by the Director.
- (b) The royalty to be charged shall be fixed by the Bureau of Land Mangement in accordance with the provisions of §3103.3 of this title, but shall not be less than 12½ percent.
- (c) The term of the lease shall be for a period of not more than 20 years.

#### § 3109.2 Units of the National Park System.

- (a) Oil and gas leasing in units of the National Park System shall be governed by 43 CFR Group 3100 and all operations conducted on a lease or permit in such units shall be governed by 43 CFR parts 3160 and 3180.
- (b) Any lease or permit respecting minerals in units of the National Park System shall be issued or renewed only with the consent of the Regional Director, National Park Service. Such consent shall only be granted upon a determination by the Regional Director that the activity permitted under the lease or permit will not have significant adverse effect upon the resources or administration of the unit pursuant to the authorizing legislation of the unit. Any lease or permit issued shall be subject to such conditions as may be prescribed by the Regional Director to protect the surface and significant resources of the unit, to preserve their use for public recreation, and to the condition that site specific approval of any activity on the lease will only be given upon concurrence by the Regional Director. All lease applications received for reclamation withdrawn lands shall also be submitted to the Bureau of Reclamation for review.
- (c) The units subject to the regulations in this part are those units of land and water which are shown on the following maps on file and available for public inspection in the office of the Director of the National Park Service and in the Superintendent's Office of each unit. The boundaries of these
